MY READING LOG

The Dog Man series, by Dav Pilkey

ABOUT THIS SERIES

Comic book adventures about a police officer who is half dog and half man, and his Supa Buddies: Li'l Petey the kitten and 80-HD the robot. Expect silly jokes, sound effects, Flip-O-Rama pages you flip to make the action move, and a surprising amount of heart underneath all the nonsense.

Best for ages 7 to 10 | 15 books | First published 2016 | Written by Dav Pilkey

Did you know? Dav Pilkey has dyslexia and ADHD. He was sent out of class so often that he invented Dog Man on his own in the school hallway, aged seven. There are now over 70 million Dog Man books in print in 47 languages, and DreamWorks turned it into a film in 2025.
