The How to Train Your Dragon series, by Cressida Cowell

ABOUT THIS SERIES

Hiccup Horrendous Haddock the Third is a very small Viking with a very small dragon called Toothless, and no obvious talent for being a hero. Over twelve books he becomes one anyway. Funnier, stranger and quite different from the films.

Best for ages 8 to 12 | 12 books | First published 2003 | Written by Cressida Cowell

Did you know? Cressida Cowell spent childhood summers on an uninhabited island off the west coast of Scotland with no roads, houses or electricity, convinced that dragons lived there. She was Children's Laureate from 2019 to 2022.
