MY READING LOG

The Roald Dahl collection

ABOUT THESE BOOKS

Giant peaches, chocolate factories, a girl who can move things with her mind, and a great many revolting grown-ups who get exactly what they deserve. These are not one long story but separate books, so you can read them in any order you like.

Best for ages 6 to 11 | 18 books | First published 1961 | Written by Roald Dahl

Did you know? Dahl wrote in a little hut at the bottom of his garden, sitting in an old armchair with a board across his lap, using pencils on yellow paper for two hours every morning and two more every afternoon. He also helped invent a medical valve that went on to help thousands of children.
